Our Mailing Lists

E-mail j.boza@ulbgc.org and let her know which of the following options is for you, or if both options are for you, that is great too!

Special Events List

We will put you on an e-mail list that announces our special events (at both the Clubs and the Headquarters office such as our annual gala, wine dinner and more!) for which we need volunteers. If the date, time & location of the event work well for you, e-mail us back and join in on the fun!

Club Happenings List

An e-mail goes out to individuals who would like to go out to the Clubs and attend the special events/performances at the Club sites. These e-mails may also list opportunities for one-time volunteer projects at the Club ranging from refereeing a game to chaperoning a Club fieldtrip. These e-mails will go out in advance for events we know about and may come with opportunities for the evening the e-mail is sent (e.g. we need an emergency basketball referee sub). If the time, date, and location work for you, just e-mail us that you can join in the fun!

Additional Volunteering Opportunities

We will tell you about the Clubs and what to expect, put you in touch with the Club Directors, and help you come up with a volunteer activity that works for you. Once we find a fit you will complete a full Volunteer Application.

Share Your Skills and Knowledge

Your time can be spent with either with one child or a group. Ideas include mentoring, homework help, career presentations, job search, interviewing/applications, chess, knitting, yoga, word processing, sports games and refereeing.

Special Program Volunteer

For 6 to 8 weeks you'll run a special program for our kids, focusing on healthy habits, career development & planning, or finance.

Core Program Volunteer

Help in one of our core areas: Character Development & Leadership; Education & Career Development; Health & Life Skills; Arts; or Sports, Fitness, and Recreation.
