CAMP

UNION LEAGUE BOYS & GIRLS CLUBS

Located in Salem, Wisconsin, our 247 acre sleep-away camp provides rural experiences for youth 6-13 years old who attend our after school Boys & Girls Clubs on the South and West sides of Chicago

UNION LEAGUE BOYS & GIRLS CLUBS

Staff are provided monetary compensation, room all summer long, and board while camp is in session. Compensation is based on experience. Staff are also given time off throughout each session. A van and driver is provided to those who do not have their own transportation.

The 2018 season is from June 14th to August 19th. Staff must be available all summer and will have some weekends off.

Leadership Team Members such as the Assistant Director, Program Director, Male and Female Cabin Unit Leaders, and the Waterfront Director help mentor staff so that they can successfully lead campers.

Program Counselors lead activities throughout the day in specific areas such as fishing, boating, and swimming at the waterfront, dance, arts & crafts, archery, low ropes, high ropes, nature & out rood education, and more! Camp will help make sure potential staff get the certifications they need (if applicable) to lead their activity.

Cabin Counselors live in cabins with a co counselor and 16 campers. They help teach the kids independent living skills, help facilitate making lifelong friendships, and ensure that the campers feel safe and welcome at camp.

For more information or to apply, contact the Camp Director
